

South Wingfield Parish Household Survey

Have your say about the future development of where you live! Please help by filling in our Household Survey giving us your views.

South Wingfield is preparing a Neighbourhood Plan which will give us the opportunity to influence future development that takes place in South Wingfield over the next 15 years. It will provide a set of planning policies for the South Wingfield Parish, which must comply with national planning guidance and Amber Valley Borough Council's Local Plan. These planning policies within the Neighbourhood Plan must be taken into account when any planning application in the Parish is considered.

South Wingfield Parish Council

South Wingfield Parish consists of the villages of South Wingfield and Oakerthorpe, together with the hamlets of Moorwood Moor, Ufton Fields & Wingfield Park.
