

## **Social Media and Electronic Communication Policy**

The use of digital and social media and electronic communication enables South Wingfield Parish Council (the Council) to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council has a website, a Facebook page, and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur this Policy will be updated to reflect the new arrangements.
